

FORGING, STAMPING, and COLD FORMING

ISO and TS Certified

Forging, Stamping, and Cold Forming Facilities

W.E. LOTT has 20+ forging, stamping, and cold forming facilities offering access to 400 T to 2500 T presses, bogie-hearth and well resistance furnaces, and numerous crosscut saws. Forging capabilities range from 0.2-200 lbs.

Each shop is developed, audited, and monitored by our offices, providing the right variety of equipment to ensure the success of each individual project. The majority of these shops maintain ISO 9001 or TS1 6949 certification.
